Chapter 1 by Story Wars

You were walking home with your best friend Tyler, when you hear a loud crash... You both turn around and you see houses actually EXPLODING! You tell Tyler he can stay at your apartment until it stops. Both of you run to your house using the short cut through the bushes that you've been using for years, it actually has an indent of you running through it. You get to your apartment and fall on the floor, you're so exhausted from running that you can't move. Your apartment is very empty because you just moved in, all you have is your mattress, sheets, your trusty microwave, couch, and a coffee table. You being a girl, with a friend that's a boy, makes some people judgmental. Even though Tyler is your best friend, you couldn't possibly imagine yourself dating him. Tyler sets his bag down and lays on the couch, you on the other hand stand there in shock, wondering why the house actually blew up. You ask Tyler and he responded simply with an "I don't know" He often says things like that. While look in the fridge you ask if Tyler wants anything, he said again, "I don't know" This makes you ticked off, but you ignore it because it would be dumb to yell at your best friend. You look at your phone and it just stops, like literally stops working, it shuts down so you figure it's dead and you plug it in. Tyler mumbles something under his breath, you couldn't understand him so you ask, "What did you

All of a sudden your phone sparks up and explodes. But it's not a big explosion.

Tyler comes out of the bathroom saying, "The toilet literally just broke." You run in and find the toilet in two and a yellow substance on the floor that looks like apple juice.

"EW Tyler!! Clean it up, NOW!" You say. Your mom's not home yet and your father died before you were born.

Your sister walks through the door with a black face and an afro from the big shock from her phone in her hand. You rush to her to see if she's alright and are excited to see her.

"Sarah! Are you okay?!? What the heck is going on!! My phone exploded! Me and Tyler saw two houses EXPLODE is was like BANG!!"

"Jeez, calm down." She said.

"WAIT, YOU SAW TWO WHOLE HOUSES EXPLODE!?!?!" Said your younger brother as he followed him in. "THAT'S AWESOME!!"

"Whoa whoa whoa. What's all the commotion about?" Said your mom pulling back her long, beautiful, silky black hair with a hair tie.

"Emma said she and Tyler, saw TWO WHOLE HOUSES EXPLODE!!" Said your brother Elliot excitedly.

"What!?" The mom said concerned.

"ALSO, SARAH AND EMMA'S PHONE EXPLODED AND THAT'S WHY SARAH'S FACE IS BLACK AND WHY SHE HAS AN AFRO!!" Said Elliot frantically.

"Care to tell me more?" Your mom asked.

I'll rent a room with Eliot and Sarah from the hotel down the street." Your mom says as she leaves with your brother and sister. You try pulling Tyler over to the mattress by your window. "Wow, why is he so heavy?" You think.

Finally, you manage to get Tyler to the mattress and you slip in bed next to him. You pull the blankets over both of you and fall asleep.

You wake up in the middle of the night, and feel a cold hand on your back...

Chapter 4 by Fox

You look over to see Tyler with his arms wrapped around you.

"He's still asleep." You thought.

You ignore him and go back to sleep.

You wake up.

You look at your clock, only to find that its unplugged.

"Oh, right." You thought as you remembered you unplugged everything yesterday. You look over and see Tyler, with his arms still wrapped around your waist, but this time he's awake....

"Tyler, what are you doing?" You ask. "I don't know." Tyler said while blushing. "Well, it seems like your back to normal, almost.." You say. Tyler lets go of you and you both get out of bed. You walk to the kitchen and grab a thermometer, then you walk over to Tyler. "Open your mouth." You say. "Uh.. Okay.." Tyler says confusedly. You stick the thermometer in his mouth and a second later, it beeps. You look down at the thermometer. "100.9, you have a fever." You say. Tyler lays on the couch and you get a wet towel for his forehead. You tell him to "Just relax." while you get up to look for something to eat.

You walk over to the fridge and grab some eggs, and you make scrambled eggs. You walk over to Tyler and he pulls you close to him...

You forgot one thing about Tyler, he acts drunk when he's sick....
